

## **Notice of Change in Service Rates for Support Tools**

On 1 July 2023, the service rates for the various support tools will be updated as follows:

1. Entrepreneurs will be eligible for a one-time process mapping session only.
2. The hourly training fee will apply to all participants and no discounts will be given to certain populations.
3. No discount will be given for consulting hours and/or assistance with financing for participants and graduates of the 'Starting a Business' and 'Launching a Startup' courses.
4. A fixed rate will be determined for all participants in the Pre-entrepreneurship Workshop and no discount will be given to certain populations.
5. The rate for assistance with financing will apply to all participants and no discount will be given to certain populations.
6. The discount for additional hours of financial consultation and assistance with financing, will be canceled.

Below is the updated version of the Terms and Conditions of the MAOF Services as well as the previous versions with details of the changes and amendments.
