- 4.2. The applicant for MAOF Services must be at least 18 years of age.
- 4.3. An applicant for MAOF Services defined as a business must meet the following cumulative conditions:
 - 4.3.1. The business is not in receivership or liquidation, etc., and has no unregulated debts to the Ministry of Economy and Industry.
 - 4.3.2. The business is located and run in Israel.
 - 4.3.3. The business does not already receive assistance from the government for operations for which assistance is provided within the framework of MAOF.
- 4.4. The business must meet all the eligibility criteria for the MAOF Services, as outlined in Sections 6-15 below.
- 4.5. The business must sign a declaration in respect of the MAOF Services (see Appendix I).

5. **Process of receiving MAOF Services**

The process includes a business process mapping session, the provision of the MAOF Services, and support and assistance to the recipient of these services, as detailed below:

5.1. **Business process mapping session**

- 5.1.1. An entrepreneur / business (hereinafter: “**Business Support Recipients**”) are required to attend a business process mapping session prior to receiving the MAOF services, with the exception of training and any other support service specified in these Terms and Conditions.
- 5.1.2. Eligibility criteria for a business process mapping session (cumulative)
 - 5.1.2.1. The Business Support Recipient must be an entrepreneur or a business.
 - 5.1.2.2. An entrepreneur that has not had a business process mapping session in the past.
 - 5.1.2.3. If, in the past, a business had a business process mapping session with MAOF, and two years have elapsed since that session, the business is entitled to an additional mapping session. In the event of a change in status (as specified in Section 2.12), the business is entitled to an additional mapping session if at least six months have elapsed since the first mapping session. A transition from Consulting Track D to Consulting Track E, as specified in Sections 6.3.4-6.3.5 shall not be considered a change in status for the purpose of receiving an additional process mapping session.
- 5.1.3. Procedure for a business process mapping session:
 - 5.1.3.1. In the business process mapping session, a Business Support Manager shall map out the needs and challenges of the Business Support Recipient, after which he /she shall formulate a situation report in accordance with the objective of the process mapping, and specify a plan (hereinafter: **the Business Support Plan**) tailored to the needs of the Business Support Recipient.
 - 5.1.3.2. After examining the eligibility of the Business Support Recipient, the Business Support Manager shall submit a summary of the process mapping, detailing the eligibility of the Business Support Recipient.
 - 5.1.3.3. After the business process mapping, the Business Support Recipient will receive a summary of the process mapping and the Business Support Plan.
 - 5.1.3.4. The Business Support Manager may update the Business Support Plan at any time.
 - 5.1.3.5. The business process mapping shall be completed no later than 10 working days from the date of the process mapping session.

5.2. **Assisting the Business Support Recipient**

- 5.2.1. The Business Support Manager who conducts the process mapping will assist the Business Support Recipient during the period he receives the MAOF Services, unless otherwise authorized by his superiors.
- 5.2.2. After receiving the MAOF Services, and no later than 14 working days from the end of the provision of all the services, the Business Support Manager shall present the Business Support Recipient with a summary of the MAOF Services rendered.

6. **Consulting services**

6.1. **Objective**

- 6.1.1. Impart knowledge and tools in a range of subjects, aimed at improving the Business Support Recipient's business operations and his ability to survive and grow.
- 6.1.2. Provide the Business Support Recipient with professional assistance as part of the business building process.

6.2. **Eligibility criteria**

- 6.2.1. A Business Support Recipient is eligible for an allocation of consulting hours — in accordance with the maximum allotment of hours specified in Section 6.3 below — once every two years from the date of his last business process mapping session.
- 6.2.2. Notwithstanding the foregoing in section 6.2.1 above, in the event that the Business Support Recipient has changed status, he will be entitled to an allocation of additional hours in accordance with his updated status. It should be clarified that switching between Track D and Track E (listed in Section 6.3 below), still entitles the business to an allocation of an additional 50-hour consulting package, even if the business has not had an additional process mapping session, and provided the business is still in the eligibility period.
- 6.2.3. Consulting in the area of business licensing – a business that is subject to a license and has not completed the process of obtaining a license.
- 6.2.4. Standardization consulting – eligibility for standardization consulting does not apply to mandatory standards for the conduct and licensing of businesses that are required by law, or to procedures of government ministries.

6.3. **Scope of assistance**

- 6.3.1. Consulting Track A: Up to 15 consulting hours for entrepreneurs in the pre-startup phase.
- 6.3.2. Consulting Track B: Up to 20 consulting hours for microbusinesses with up to 4 employees.

- 6.3.3. Consulting Track C: Up to 60 consulting hours for businesses with 5-10 employees.
- 6.3.4. Consulting Track D: Up to 100 consulting hours for businesses with 11-50 employees.
- 6.3.5. Consulting Track E: Up to 150 consulting hours for businesses with 51-100 employees, or over 100 employees if the turnover of the business was up to NIS 100 million in the previous calendar year.
- 6.3.6. Important details
 - 6.3.6.1. Consulting services in Tracks B to E can be provided in one area of expertise or in several areas of expertise concurrently, according to distribution for the consulting package.
 - 6.3.6.2. Consulting hours for Tracks C to E will be provided according to the distribution for assistance packages only, as specified below.
 - 6.3.6.3. A "consulting package" offers consulting services with a single consultant in a specialized or sub-specialized area.
 - 6.3.6.4. Consulting hours are offered in packages of 15/20/30/40/50 hours, with the exception of Consulting Tracks A and B, or the **last** consulting package of the Business Support Recipient in all tracks.
 - 6.3.6.5. The package may be utilized within six months from the date of the work order for consulting (hereinafter: "**Package Utilization Period**").
 - 6.3.6.6. The Business Support Manager may extend the Package Utilization Period by a maximum of three months. An additional three-month extension may be given with the approval of the operations manager or the VP of professional services, provided that the Package Utilization Period does not exceed a year in total.
 - 6.3.6.7. By the end of the Package Utilization Period the consulting hours will have been carried out and a consulting report will have been submitted to the SMBA, signed by the consultant and the Business Support Recipient and approved by the Business Support Manager.
 - 6.3.6.8. In addition to the above-mentioned tracks, the SMBA may add an additional framework of consulting hours for Business Support Recipients, which will be published from time to time on the SMBA website, as specified in Appendix IV.
 - 6.3.6.9. The total number of consulting hours and the types of assistance packages for which the Business Support Recipient is eligible will be determined

within the framework of the Business Support Plan to be specified by the business Support Manager during the business process mapping.

6.3.6.10. **Assistance in obtaining financing in the regular track of the State Guarantee Fund** - a service recipient who applies for assistance in obtaining credit in the regular track of the State Guaranteed Fund, may carry out a business plan of up to 10 hours of consultation from the business's basic eligibility.

6.4. Consulting process

- 6.4.1. After completion of the business process mapping, the Business Support Manager will refer the Business Support Recipient to a number of consultants for each area of consulting.
- 6.4.2. The Business Support Recipient may speak with the consultants (at no charge) before choosing which one(s) to work with. This choice shall be at the sole discretion of the Business Support Recipient.
- 6.4.3. The Business Support Recipient shall give a MAOF representative the name(s) of the consultant(s) he has chosen within 10 working days from the date of referral, as specified above.
- 6.4.4. Once the Business Support Recipient has chosen his consultant(s), the MAOF shall issue the consultant(s) a work order. The consulting process shall begin no later than 10 working days from the date of issuing the said work order.
- 6.4.5. For consulting packages of over 5 consulting hours: The consultant shall present the Business Support Recipient with a work plan for each consulting package, which he will approve with his signature. The work plan will describe the work method and will include a consulting schedule based on the needs of the Business Support Recipient.
- 6.4.6. During the consulting process, the consultant may sign the Business Support Recipient on a consulting contract.
- 6.4.7. The Business Support Manager shall accompany the Business Support Recipient to consulting sessions, by providing answers to questions and issues that arise, and will coordinate between the consultant and the Business Support Recipient until the end of the consulting period, which will be summarized in a meeting with the Business Support Manager, the Business Support Recipient and the consultant.

6.5. General provisions

- 6.5.1. The Business Support Recipient is prohibited from receiving consulting services from a consultant whom he employed, directly or indirectly, four months prior to the process mapping session.
- 6.5.2. The MAOF nor any of its representatives are obligated to assign a particular consultant to the Business Support Recipient.
- 6.5.3. While drawing up a work plan, the consultant is required to visit the premises of the Business Support Recipient, unless agreed otherwise by the business owner.
- 6.5.4. At the end of consulting process, the Business Support Recipient is required to fill out a feedback questionnaire on the consulting services rendered.
- 6.5.5. The Business Support Recipient may ask the Business Support Manager to replace his consultant.
- 6.5.6. The Business Support Recipient may submit a complaint to a MAOF representative concerning the conduct or work of his consultant and may terminate the consulting services at any stage. In the event that the Business Support Recipient stops receiving consulting services, he must notify the Business Support Manager of this.
- 6.5.7. The participation fee in respect of this service appears in the Table of Rates in Appendix III.

7. **Assistance in obtaining financing from funds (closed to registration from December 31, 2023)**

14.5.2. Components of the complete program are as follows:

14.5.2.1. **Study, workshops and experience:**

14.5.2.1.1. **Lectures and workshops on various topics pertaining to the establishment of a startup:**

14.5.2.1.1.1. The lectures will be given by the professional manager and other experts in the field.

14.5.2.1.1.2. Entrepreneurs participating in the workshops

will be required to practice the taught material, complete tasks and prepare material according to their project requirements so that at the end of the process they will have professional material

that will enable the project to raise initial capital.

14.5.2.1.2. **Mentoring:** Every entrepreneur will receive individual mentoring tailored to his /her needs and the needs of the project, and will include a combination of the following:

- The assistance of the accelerator's professional manager.
- The assistance of a mentor with relevant business experience in the project's field, who will be selected by the accelerator manager and the entrepreneur.
- The assistance of consultants with expertise in various fields.
- Lectures on various topics and activities to build and strengthen the resilience of the entrepreneur.

14.5.2.1.3. **Professional services and consulting** – Entrepreneurs will receive a package of services that includes the following:

- Professional consulting and business services.
- Group training in relevant areas.

14.5.2.2. **Project promotion:**

14.5.2.2.1. **Meetings with clients and investors** – Where possible, every entrepreneur will hold individual meeting with potential clients and / or investment entities. In addition, entrepreneurs will hold group meetings with various types of investors. All this will be in accordance with the pace of the project's progress and the willingness of the entrepreneurs to prepare the material as required.

14.5.2.2.2. **Networking** – meetings with high-tech people and potential clients.

14.5.2.3. The above components are not mandatory and will be included in accordance with the professional needs of each project; the willingness of the entrepreneurs to invest the time required in preparing the necessary material for meetings with people outside the accelerator; the availability and interest of potential partners and investors; the degree of active participation in the program and the completion of required tasks.

14.6. Registration for accelerators

14.6.1. Entrepreneurs may register for up two accelerators, but will only be accepted to one of them.

14.7. Entrepreneurs who are not accepted to the program may submit an appeal within 3 working days from the date of receipt of the rejection letter. The SMBA will respond to the appeal up to 14 working days from the date of receipt of the appeal.

14.8. Participation fee

14.8.1. The participation fee for the preliminary phase and the acceleration phase is subject to the rates outlined in the Table of Rates in Appendix III. The participation fee must be paid within 3 working days from the date of receipt of the notice of acceptance.

14.8.2. In the event that the participation fee is not paid and/or relevant documents are not signed, the right to participate in the program will be revoked and we be given to the next applicant on the list.

- 15.5.17. Each business will be given one opportunity to complete or correct their payment request.

15.5.18. If the payment is higher than the amount due, as a result of human error, or alternatively, if it turns out that the payment was transferred based on the submission of false documentation on the part of the recipient, the SMBA reserves the right to ask the recipient to return all or part of the payment.

16. Reconsideration

A Business Support Recipient, who objects to a decision made by MAOF, may submit a reasoned objection to the SMBA (via MAOF) within 30 working days from the date of the decision.

17. Suspension and termination of activity

17.1. The SMBA may carry out inspections and demand any relevant document from the Business Support Recipient for the purpose of checking their compliance with the provisions of these Terms and Conditions.

17.2. Non-compliance with the Terms and Conditions

17.2.1. In the event the SMBA and / or MAOF finds that a Business Support Recipient fails to comply with the provisions of these Terms and Conditions, and / or the provisions of the Director General's directive on Corporate Social Responsibility, and / or is hindering the provision of services, and / or if the services are being used for a purpose other than that for which they were intended, and / or it is indicated that there is good reason to suspend / terminate services due to a lack of cooperation on the part of the Business Support Recipient, the SMBA shall notify the Business Support Recipient of its intention to consider canceling or freezing the provision of services, whether in the future or retroactively, and request that the Business Support Recipient repair the damage within 60 working days of receiving notification.

17.2.2. Should the Business Support Recipient be notified as stated in Section 18.2.1 above, and fails to repair the damage within the said period, the SMBA may promptly and without further notice, act as follows:

17.2.2.1. Continue to provide MAOF Services to the Business Support Recipient on terms that shall be determined.

17.2.2.2. Freeze the provision of services, or fully / partially cancel them.

17.2.2.3. Request payback for the services rendered with the addition of interest and linkage differentials (as specified in the Adjudication of Interest and Linkage Law, 5721-1961), from the date of its payment until the date of its actual return.

17.3. Termination of the provision of MAOF Services in respect of false information

17.3.1. In the event that the SMBA finds that a Business Support Recipient received eligibility approval for MAOF Services on the basis of false or misleading information, the approval shall be canceled retroactively from the date it was granted. The SMBA may also request payback for the support and assistance rendered, plus interest and linkage differentials, as specified in the Adjudication of Interest and Linkage Law, 5721-1961, from the date of its payment until the date of its actual return.

17.3.2. The final decision in respect of implementing Section 17.3.1 above shall be made by the SMBA.

17.4. Terms of payback

17.4.1. Those required to make a payback shall do so within 90 working days from the date of notice or at a later date prescribed in the notice, plus interest and linkage differentials as specified in the Adjudication of Interest and Linkage Law, 5721-1961. However, the SMBA, with the approval of the Accounting Department and the Legal Bureau, for special reasons that shall be recorded, may waive all or part of the interest.

17.4.2. A business that received MAOF Services and was given a liquidation order or a receiving order or voluntarily decided to dissolve the business prior to receiving all the MAOF services, and prior to fulfilling all the provisions of the Terms and Conditions, shall be deemed obligated to pay back the service it received prior to the liquidation order or the receiving order, or the voluntary decision to dissolve the business, unless the SMBA determines, with the approval of the Accounting Department and the Legal Bureau, that the assistance shall not be paid back or shall be partially paid back.

17.4.3. The provisions of this Section do not derogate from any other law.

18. General Provisions

- 18.1. The scope of the MAOF Services is determined according to the budgetary framework available to the SMBA.
- 18.2. The provisions of the Terms and Conditions do not constitute an obligation of the Ministry of Economy and Industry to make any payment.
- 18.3. Insofar as a particular track specified in the Terms and Conditions is not budgeted, notice of such shall be published on the SMBA website.
- 18.4. The provision of services shall be discontinued if a Business Support Recipient displays unbecoming conduct (such as: disturbing the work process at the business, or failure to attend meetings without a justified reason, etc.), all at the discretion of the SMBA.
- 18.5. Notwithstanding the provisions of Sections 4-15 above, the SMBA director may, with the approval of the Ministry's Accounting General and Legal Bureau, prescribe procedures that differ from those prescribed in the aforesaid Sections.
- 18.6. If there is a change in the business climate resulting from new business opportunities, natural disasters or crises that significantly impact a large number of businesses, or a material change in the business's target audience, the SMBA director may, with the approval of the Ministry's Accountant General, establish procedures for raising the SMBA's participation rates.
- 18.7. A Business Support Recipient may apply for support services from any MAOF branch, regardless of his home or business address.
- 18.8. If a Business Support Recipient carried out his process mapping at a certain MAOF branch, he must refer to that same branch to apply for or complete MAOF Services. The transfer to a different branch must be approved by the branch manager.
- 18.9. The SMBA has the authority to set priorities for budget allocation to the MAOF Services, *inter alia*, among various departments, areas of activity, etc. These priorities set by the SMBA, shall be published on the website of the Ministry of Economy and Industry. The MAOF Services shall not fund operations that receive help from funds or other governmental aid programs.
- 18.10. The SMBA director may publish the names and ID numbers of Business Support Applicants whose applications have been approved, and may also publish the amount

of support approved for each business. The notice of the SMBA director shall be published on the website of the Ministry of Economy and Industry.

18.11. The SMBA and its representatives may make use of the details of Business Support Recipients for the purpose of conducting research and surveys to examine the effectiveness of the services, or for any other purpose the SMBA sees fit, and at its sole discretion.

18.12. A Business Support Recipient who has utilized his consulting hours, may continue to receive consulting services from the same MAOF consultant up to four months from the end of his eligibility, under the following conditions:

18.12.1. The hourly consulting rate will be the full rate paid to the MAOF consultant.

18.12.2. The SMBA shall not subsidize consulting hours.

18.12.3. The continuation of consulting hours shall be subject to all the MAOF procedures.

19. **Publication**

19.1. The Terms and Conditions and all the required forms for receiving MAOF Services will be published on the website of the Ministry of Economy and Industry.
